THIS IS UNEVALUATED INFORMATION

- 25X1 1. A school for reserve officers is located in the Filipovic barracks  
25X1 built by Pavelic during the war, at which time they were known as the  
25X1 "Preradovic Barracks". The school is located near the main park at  
the intersection of the highway leading to Zagreb.
2. Only reserve officers are accepted in the school. Courses for reserve  
officers who were commissioned during the war, but have had no formal  
schooling, usually last several months; whereas courses for officers  
who have an education usually do not last longer than two months.
3. Students enrolled in these courses are required to become specialists  
for the branch and arm of service to which they are assigned.
